FY 2009-2010 GRANT AWARDS: \$5,656,384.57

FY 2009-2010: closed out on an outstanding note with a new grant award for June 2010 and more than \$5.6 million in grant awards for the Resource Development Office in the fiscal year ending June 30, 2010.

More than five million dollars of the \$5.6 million in total grant dollars was in economic development. The biggest awards of these were for water and sewer infrastructure projects.

The remaining \$395,884.57 in FY 09-10 grant awards were in emergency medical services, homeland security and emergency management. These awards funded such things as an ambulance and defibrillator for Carroll County EMS, county owned notebooks for all Carroll County Rescue Squads, and equipment in the training classroom. All these awards for critical services directly reduced taxes and the burden on our taxpayers.

The recent focus of the Resource Development Office has been grant administration, reporting and oversight.

New Awards: The award in June was from the Virginia Commission for the Arts to fund local arts organizations. It is a \$5,000 award and matches local funds for contributions to 'Round The Mountain: Southwest Virginia's Artisan Network, Chestnut Creek School of the Arts and the Twin County Arts and Cultural Council.

FY 2009-2010 Grant Awards: \$5,656,384.57:
