To All:

The Virginia Department of Taxation implemented a TAX Amnesty Program from October 7, 2009 to December 5, 2009. This program had all penalties and half the interest waived if taxpayers paid the full amount of their delinquent taxes and the other half of interest.

Per a report I received from the Virginia Department of Taxation, Carroll County's share collected during this Amnesty Program was \$1,777.87.

I was asked to pass this information on to local leaders to have available for budget planning.

Sincerely,

Louise L. Quesenberry
Commissioner of the Revenue
