

Carroll County Recreation Department

Sponsors Easter Egg Hunt and Duck Race

Carroll County Parks and Recreation and Grayson National Bank hosted a free day of Spring fun for all the children in the community.

The annual festivities, originally set for the Saturday before Easter weekend, took place on Palm Sunday this year due to rain. An astounding 4,000 eggs were filled with goodies, and over 200 kids were present at Carroll County Recreational Park for the search. Each of the 4 age groups were well attended ranging from age 1 to 10. Each age group contained a special “lucky egg” which rewarded a grand prize “lucky bunny”. Also, the child to find the most eggs was rewarded a prize basket.

The annual duck race also turned out to be a huge success. Ninety-nine ducks were purchased by children and were raced in 10 separate heats. The winners were put through to the championship race. The winners of each egg hunt’s age group and the duck race are pictured below.

The Carroll County community showed huge support during the Spring Recreation Park festivities. Several donations were given to allow prize drawings throughout the day. Pizza Inn and TCBY donated personal pizzas and ice cream cones, Shoney’s donated a Shoney’s bear, and McDonald’s donated free french fries. There was also a drawing for a lucky bunny. Volunteers at Laurel Elementary School filled all of the eggs and provided the PA system for the event.

Also, recognized is Tommy Brown for providing several barrels to create a train for children to ride around in.
